The screenshot displays the SAP Fiori 'Request for Quote' application. At the top, there are navigation tabs for 'Non-PO invoice form', 'Custom form', and 'Self-Service'. Below this, a header section contains the text 'Use this form to request' and 'Not intended for department use'. The main area shows a list of forms with the following details:

- Form 1:** 'Tax Exempt Form' (indicated by a green icon) with a 'Website' link.
- Form 2:** 'Custom form'.
- Form 3:** 'Custom form'.
- Form 4:** 'Custom form'.

Below the list, there are three columns of text describing the forms:

- Column 1: 'Use this form to create a one-time Request for Quote for a purchase outside of SAP Ariba.' (partially obscured)
- Column 2: 'Use this form for authorization of a purchase outside of SAP Ariba.' (partially obscured)
- Column 3: 'Use this form of authorization to purchase outside of SAP Ariba.' (partially obscured)
