IMPACT OF INCOMPLETE GRADES ON FINANCIAL AID PROGRAMS

Federal regulations require a student to maintain satisfactory

Please be aware of how each of the following affect your GPA and Pace of Progression

Impact of earning an incomplete grade An Incomplete course counts as credit hours attempted but will not count as credit hours completed/earned until passing grade has been assigned. An incomplete grade can negatively affect a student's Pace and financial aid eligibility.

Impact of withdrawing from a course Withdrawing from a course counts as credit hours attempted but will not count as credit hours completed/earned. A withdrawn course can negatively affect a student's Pace and financial aid eligibility.

Impact of repeating courses on GPA and Pace of Progression Repeating a course counts as attempted credit hours for each time the course is taken. If credit is earned it will also count as completed/earned credit hours in Pace and Maximum Time to Degree Completion calculations.

However, a course retaken by a student is not counted as a course in the calculation of the student's GPA.
