

UNO Counseling Department | Background Check Procedures

Background Checks are now required for all students prior to entering the department and/or prior to enrollment in either the school or clinical mental health specialization practicum. Background checks are completed through OneSource. Please follow the appropriate procedures below. **Receiving results can take up to a few weeks depending on DHHS response time.**

1. Go the OneSource to begin: <https://www.onesourcebackground.com/students/>
2. Click on
