

**Aviation Accreditation Board International**  
**Core Outcomes for AABI Accredited Baccalaureate Programs**

AABI has designated six aviation core outcomes for baccalaureate programs:

1. Describe the professional attributes, requirements or certifications, and planning applicable to aviation careers.
2. Describe the principles of aircraft design, performance and operating characteristics; and the regulations related to the maintenance of aircraft and associated systems.
3. Evaluate aviation safety and the impact of human factors on safety.
- 4.
