## About NCITE

The National Counterterrorism Innovation, Technology, and Education Center (NCITE) is the Department of Homeland Security's (DHS) Center of Excellence for terrorism prevention and counterterrorism research. NCITE is a consortium of universities and industry partners whose mission is to conduct research, education, and workforce development activities that will respond to challenging problems and offer innovative solutions to issues faced by counterterrorism and targeted violence prevention professionals – both in the public and private sectors. Led by the University of Nebraska at Omaha, the focus of NCITE is to support operationally relevant research and development efforts.
