

UPDATE FERPA RESTRICTION/DIRECTORY INFORMATION RELEASE

Login to MavLINK > Click Profile > Click Update FERPA Restrictions

The screenshot shows the MavLINK user profile interface. At the top, there are navigation links for Home, Enrollment, and a red box highlights the profile icon. Below the navigation, the profile is divided into sections: My Information, My Program, Messages, FERPA, and Current Parent Access. The My Information section contains fields for Address, Email, Phone, Current/Local Address, and Permanent Address, each with a 'Change' button. The My Program section is a table with columns for Program, Degree, Major, and Minor. The Messages section shows 'No current messages'. The FERPA section contains text explaining the Family Educational Rights and Privacy Act and a red box highlights the 'Update FERPA Restrictions' button.

Program	Degree	Major	Minor
Masters	Master of Science	Counseling	

Click Edit FERPA/Directory Restriction – Under the Family Educational Rights and Privacy Act, you have the right to restrict the release of your information. To restrict information, click Restrict All Fields.

Note that when you choose to restrict the release of information, it will not be released to any source, including publications such as telephone directories or other institutional publications. To allow the release of directory information, click Release all Restrictions.

The screenshot shows the 'FERPA Restrictions' page. It includes a title 'FERPA Restrictions', a link 'Edit FERPA/Directory Restrictions', and explanatory text about the Family Educational Rights and Privacy Act. Below the text, there are two radio buttons: 'No current FERPA restriction.' and 'restrict all fields'. The 'restrict all fields' button is highlighted with a red box. Other buttons include 'release all restrictions', 'SAVE', and a link 'Return to FERPA Restrictions Summary'.
